

Kawaguchi City Council of Countermeasures  
Against the Problem of Bullying  
Kawaguchi City Board of Education

## The Statement from the Council for the year 2022.

Kawaguchi City Council of Countermeasures Against the Problem of Bullying have been discussing preventive measures and treatments against the bullying problems, which is becoming worse than ever recently, under the recognition of schools and each household must jointly cope with the problem.

In that regard, the Council offer keys and clues to find bullying at an early stage and a list of consultation services where victims of bullying can confide in. We would like you to keep this for reference for the detection of bullying at very early stages and for the prevention of serious situation.

### NOTE

## Statement “Bullying is an unforgivable act as a human being”

What should I do if the situation get worse?  
Would not I be called as a coward?  
Can anybody protect my privacy?  
I cannot confide in My parents nor friends...

Try and confide  
in your school

In case you find it difficult relying on schoolteachers, contact listed hotlines below.
